Chiropractic
Crystals

The ticket is for two people to attend a weekend seminar in Face Lift Yoga. Amazingly, you can learn to smooth wrinkles and lift your face yourself without the pain and price tag of surgery, so that you look and feel five years younger. You will also discover how to lift your tummy and free your self of back, neck and joint pain using simple, gentle, pain free, breathing exercises at the Expo.

So don't miss out. Enjoy a fun filled time with lots of surprises.

Paul Hoogendyk is our International Keynote Speaker; he is a Mystic, Healer, Story Teller, Master Carver and Spirit Keeper. Paul will speak for an hour on both days; the first lecture will be the story behind the new book by Phoebe and Paul.

As long as one "remembers" as long as embers of the ancients remain, there is always hope.

"Set By The Ancients" is a story in progress about two people and their spiritual journey. It is very much a path of the heart and intuition and an opening into the ancient knowledge held close by the native elders and their people around the world.

It is also the story of a piece of pounamu, the sacred greenstone of Aotearoa/New Zealand that came to Paul to carve into 12 symbols and the journey of the first four to their final resting place at a sacred site somewhere in the world. Every symbol with

its own special meaning and purpose.

On Sunday Paul will be speaking on Stories of Hope for a changing world.

Also Voice Maestro Elvis Pavarotti will star in our Sunday lunchtime concert/workshop "Sing Better in Half an Hour."

You can choose a reading from one of the best psychics in Australia, get your Aura photo taken and enjoy an Aura hug. You can experience the magical healing benefits of crystals, Holistic Pulsing, Reiki, Theta healing, Shell and Coral essences, Kinesiology, Massage, Emotional clearing through body work, reflexology, native healing therapies, shamanic healings and aromatherapy calming spritzers to name but a few.

Also you can browse the latest in health, personal development and spiritual books. You can imbibe the incense, natural skin care, candles, wax art drawings, spirit guide drawings, astrology readings, magnesium bath salts – the list goes on as there are 40 displays for your wonderment.

One of the regular draw cards is John the Waxman who uses coloured waxes of your choice then transferring them to a hot iron he will create a beautiful and unique wax painting.

He will then give you a personal reading explaining movements, images and colours emerging from your wax work.

He will explain your life journey from the past to the present and future. This is done by the colours you have chosen and the contours in the painting.

John is one of the most sought after people at the Expo, bookings are required so contact him on 0401 153 648 so as to not miss out.

There are 28 FREE half hour lectures over the weekend, plus the two one hour Key Note Lectures on subjects covering the great benefits of magnesium, aboriginal healing techniques, introduction to shamanism, past lives, the art of connection, mediumship and much more – for a full list go to www.whitelightexpos.com.au

And if you're lucky, Enlightened Master Swami Vyasadevananda may bless you with Unconditional Love. It feels like the slow caress of honey drizzling down your throat.

So grab this opportunity to lift your face, tummy and spirit, ease back, neck and shoulder pain and tension and relax.

And wonder at the amazing ways that nature heals! Doors open at the White Light Magazine Health and Beauty Expo at 9.00am both Saturday 28th and Sunday 29th May. It will be at the Albert Waterways Community Centre, cnr Hooker and Sunshine Boulevards, Broadbeach (behind Pacific Fair), see you there.
